

### **REMARKS**

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. This amendment is in response to the Office Action mailed November 8, 2004.

Claims 1-21 were subject to a restriction requirement.

Claims 1-21 were originally presented. Claims 18-21 remain in the application. Claims 1-17 have been canceled. Claims 22-45 have been added, including independent claims 28 and 37. Support for claims 22-45 can be found in the specification as filed, particularly in the apparatus claims 1-18, as filed with the original specification.

Newly added independent claim 28 corresponds to original claims 18 and 19. Newly added independent claim 37 corresponds to original claims 18 and 20.

#### **Election/Restriction Requirements:**

In response to the restriction requirement of November 8, 2004, Applicant provisionally elects, with traverse, the invention identified by the Examiner as Group II, claims 18-21. Claims 22-45, which depend from or contain subject matter from at least one of claims 18-21, have been added to this Group II.

### Conclusion

In light of the above, Applicant respectfully submits that pending claims 18-45 are in condition for allowance. Therefore, Applicant requests that the claims be allowed and passed to issue. If any impediment to the allowance of these claims remains after entry of this Response, the Examiner is strongly encouraged to call Garron M. Hobson or Jason R. Jones at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

No extension of time is necessary to timely file this Response. Seventeen (17) claims have been canceled, claims 1-17, including two (2) independent claims, claims 1 and 14. Twenty four (24) claims have been added, claims 22-45, including two (2) independent claims, claims 28 and 37. Accordingly, a check in the amount of \$63.00 is included herewith, pursuant to 37 C.F.R. § 1.16(c) for the addition of seven (7) claims over the number of 20 claims.

The Commissioner is hereby authorized to charge any additional fee, or to credit any overpayment, in connection with this Response to Deposit Account No. 20-0100.

DATED this 6<sup>TH</sup> day of December, 2004.

Respectfully submitted,

Garron Hobson
